

SILVERTHORNE ELEMENTARY

DECEMBER 2025

Principal's Message

As we enter the final month of the year, Silverthorne is buzzing with excitement and anticipation. December is always a special time in our K–3 community—full of learning, creativity, and celebrations that bring us together.

Our staff and students have been working hard to prepare for this year's Christmas Concert, and we're thrilled to share their efforts with you. To ensure that all families and supporters have a chance to attend, we will once again be offering two performances: Afternoon Performance – Wednesday, December 10 at 2:00 p.m. This show is ideal for friends, extended family, or anyone who cannot attend in the evening. The Evening Performance – Thursday, December 11 at 6:30 p.m. This performance is reserved for immediate family so that seating and visibility are comfortable for everyone.

We look forward to welcoming you into the school and sharing in the joy our students bring to the stage. Thank you for your ongoing support and for helping make Silverthorne such a caring, connected community.

Respectful, Independent, Safe, and Kind – Our Schoolwide Theme

This year, we have been focusing on four core values that guide everything we do at Silverthorne: being respectful, independent, safe, and kind. These expectations help create a positive learning environment where every child feels supported and able to thrive.

We want to extend our appreciation to parents, students, and staff for working together to bring these values to life each day. Whether it's practicing independence in morning routines, showing kindness to classmates, or making safe and respectful choices throughout the school, your partnership makes a meaningful difference.

Thank you for helping us ensure Silverthorne continues to be a wonderful place to learn, grow, and belong.

— Mr. Fehr

Reminders

We are into cold and flu season. If your child is exhibiting any symptoms of being sick, please keep them home. This includes excessive coughing, a fever, vomiting or diarrhea. Please note that it needs to be at least 24 hours from when the fever broke (without medication) or incident of vomit or diarrhea.

November Highlights

- We held a Remembrance Day assembly which was hosted by two HSS students. We got to commemorate the day with singing Oh Canada, traditional drumming, a story, and laying of wreaths that classes prepared.
- Basketball Joe was here each Monday in November teaching the students the fundamentals of basketball.
- BC Snowboard took over the gym on November 21, and all students were able to learn and practice some of the fundamentals of snowboarding.
