

# CLASSROOM NEWS

Jan 5-9

## What's Going On?

Happy new year and welcome back everyone!

We are working with r-controlled vowels that make the "er" sound during UFLI.

During math we are revisiting place value, addition, and subtraction.

We will continue to go on our walks unless it is -15 or colder. Please ensure your learner is dressed for the weather.

## Reminders

If you have learning summary envelopes at home, please sign them and send it to school with your child.
